

Keurig Dr Pepper Provides Update on Majority Shareholder Plan to Increase Public Float to 20%

Public Float Now at 19% and Remaining Share Sales of 1% to be Paused until KDP's Next Open Window Trading Periods for Insiders

BURLINGTON, Mass. and PLANO, Texas, May 28, 2019 /PRNewswire/ -- Keurig Dr Pepper (NYSE: KDP) announced today that Acorn Holdings ("Acorn"), the majority shareholder of KDP, has provided an update to KDP regarding Acorn's previously-disclosed intent to sell shares to increase the public float of KDP to approximately 20% by year-end. As previously-disclosed, except for this increase to approximately 20% of the public float, Acorn does not intend to sell any additional shares of KDP.

Acorn has advised KDP that it has sold approximately 64 million shares through registered direct sales, including the previously-communicated sale of approximately 47 million shares earlier this month, bringing the public float to approximately 19%. As such, Acorn plans to pause its remaining share sales of 1% until KDP's next open window trading periods for insiders, which will occur following publication of KDP's quarterly earnings during 2019.
