"KDP is evolving our leadership structure to drive the next phase of our growth," said Tim Cofer, Chief Executive Officer. "We have been intentional about building a deep bench of talent, and we are fortunate to have leaders who are seasoned, forward-thinking and ready to step into these critical roles."

The Company announced the following changes, effective immediately, to its Executive Leadership Team:

To realize the substantial growth ahead, **Justin Whitmore** is appointed to the newly created role of **President, KDP Energy**, overseeing KDP's energy brand portfolio, including marketing, sales, operations and integration, reporting to Eric Gorli.

After supporting the transition to this new organizational structure, **Andrew Archambault**, currently, President,
