Notice to Shareholders of JDE Peet's in the United States

The tender offer is being made for the ordinary shares of JDE Peet's, a public limited liability company incorporated under the laws of the Netherlands with ordinary shares listed on Euronext Amsterdam. It is important that U.S. shareholders of JDE Peet's understand that the tender and any related offer documents are subject to Dutch disclosure and procedural requirements, which are different from those of the United States. U.S. shareholders of JDE Peet's are advised that JDE Peet's ordinary shares are not listed on a U.S. securities exchange and that JDE Peet's is not subject to the periodic reporting requirements of the U.S. Securities Exchange Act of 1934 (the "**Exchange Act**"), and is not required to, and does not, file any reports with the Securities and Exchange Commission (the "**SEC**") thereunder.

The tender offer is being made in the United States in compliance with, and in reliance on, the exemption provided by Rule 14d-1(d), known as "Tier II" exemption, under the Exchange Act and otherwise in accordance with the requirements of Dutch law. Accordingly, the tender offer is subject to certain disclosure and other procedural requirements, including with respect to the tender offer timetable and settlement procedures that are different from those applicable under U.S. domestic tender offer procedures and laws.

The receipt of cash pursuant to the tender offer by a U.S. holder of JDE Peet's ordinary shares will be a taxable transaction for U.S. federal income tax purposes and under applicable state and local, as well as foreign and other tax laws. Each holder of JDE Peet's ordinary shares is urged to consult their independent professional advisor immediately regarding the tax consequences of acceptance of the tender offer.

It may be difficult for U.S. holders of JDE Peet's shares to enforce their rights and claims arising out of the U.S. federal securities laws, since JDE Peet's is located in a country other than the United States, and some or all of its officers and directors may be residents of a country other than the United States. U.S. holders of JDE Peet's may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment.

To the extent permissible under applicable law or regulation, including Rule 14e-5 of the Exchange Act, in accordance with normal Dutch practice, JDE Peet's and its affiliates or broker (acting as agents for JDE Peet's or its affiliates, as applicable) may from time to time after the date hereof, and other than pursuant to the tender offer, directly or indirectly purchase, or arrange to purchase, ordinary shares of JDE Peet's that are the subject of the tender offer or any securities that are convertible into, exchangeable for or exercisable for such shares. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. In no event will any such purchases be made for a price per share that is greater than the tender offer price. To the extent information about such purchases or arrangements to purchase is made public in The Netherlands, such information will be disclosed by means of a press release or other means reasonably calculated to inform U.S. shareholders of JDE Peet's of such information. No purchases will be made outside the tender offer in the United States by or on behalf of KDP. In addition, the financial advisors to KDP may also engage in ordinary course trading activities in securities of JDE Peet's, which may include purchases or arrangements to purchase such securities.

Neither the SEC nor any U.S. state securities commission has approved or disapproved the tender offer, passed upon the merits or fairness of the tender offer, or passed any comment upon the adequacy, accuracy or completeness of the disclosure in relation to the tender offer. Any representation to the contrary is a criminal offence in the United States.

Restrictions

The distribution of this press release may, in some countries, be restricted by law or regulation. Accordingly, persons who come into possession of this document should inform themselves of and observe these restrictions. To the fullest extent permitted by applicable law, JDE Peet's and KDP disclaim any responsibility or liability for the violation of any such restrictions by any person. Any failure to

comply with these restrictions may constitute a violation of the securities laws of that jurisdiction. Neither KDP nor JDE Peet's, nor any of their advisors, assumes any responsibility for any violation of any of these restrictions. Any JDE Peet's shareholder who is in any doubt as to his or her position should consult an appropriate professional advisor without delay.

The information in the press release is not intended to be complete; for further information, reference is made to the Offer Memorandum. This announcement is for information purposes only and does not constitute an offer or an invitation to acquire or dispose of any securities or investment advice or an inducement to enter into investment activity. The Offer is not made, and the Shares will not be accepted for purchase from, or on behalf of, any shareholder, in any jurisdiction in which the making of the Offer or acceptance thereof would not be in compliance with the securities or other laws or regulations of such jurisdiction or would require any registration, approval or filing with any regulatory authority not expressly contemplated by the terms of the Offer Memorandum.
